

CHIEFS ALUMNI FUNDRAISER

The Chiefs Rugby Club is launching its new Alumni programme created by Gallagher Chiefs players Brodie Retallick, Liam Messam and Stephen Donald.

The Alumni programme is for players and ex-players of the Chiefs Rugby Club along with team management and staff who have worked for the Chiefs for over five years.

The main purpose of the programme is to raise funds for Alumni members and their families who may fall on hard times or need financial assistance accessing personal or professional development tools.

This year the Alumni programme is raising funds for the five children of late Gallagher Chiefs player #120 Sione Lauaki. We would like to gift a trust account which Sione's kids can draw on for education and training purposes.

This Alumni fundraising event will be hosted by Gallagher Chiefs players and high profile ex-Chiefs including Ian Jones, Richard Turner, Errol Brain and more to be announced. There will be entertainment and live and silent auctions organised and donated by the players themselves.

A table is purchased for nine guests with the tenth guest being a Gallagher Chiefs player hosting you for the evening. Montana Catering are proudly sponsoring all food and beverage for the evening including a table served main meal and dessert and a selection of New Zealand's premium beer and wine brands.

Venue: FMG Stadium Waikato

Date: Tuesday 3rd July, 5.30pm - 10.30pm
